WORKING EXPERIENCE

Jagat 'Arsy World Civilization Boarding School, Tangerang Selatan

Jan 2022 – Present

Multimedia Producer

- Produced high-quality, brand-consistent multimedia content (video, audio, interactive media) end-to-end.
- Managed all phases of video projects using DaVinci Resolve, from planning and shooting to editing (color grading, music sync) and final delivery.
- Composed, mixed, and mastered original music and sound effects.
- Edited and oversaw all audio content (voiceovers, music, dialogue, podcasts) for clarity and professional quality.
- Developed and maintained interactive media (e.g., basic web content, LMS, presentations) for marketing and educational support.

Jagat 'Arsy World Civilization Boarding School, Tangerang Selatan

Jul 2019 – Dec 2021

Videographer & Video Editor

- Operated and maintained professional camera equipment for diverse video content (short-form social media to long-form documentaries), supporting marketing and entertainment goals.
- Expertly edited, color-graded, and finalized video content using DaVinci Resolve, ensuring high-quality, professional aesthetics for marketing and entertainment.
- Collaborated with cross-functional teams to deliver video content meeting project objectives and brand standards.
